Dow Jones Industrial Average (DJI)

*Time Frame: DAY*

**Today's Description**

With red arrows is presented our prediction for next days!

For this week we saw an accumulation between 10.950 and 11.130. After a quick recovery on Monday, DOW tried several times to move down and managed to touch 11.000 level like we expected...

For the next days, according with our expectations, a break above 11.130 can develop. Good targets are 11.230 – 11.290.
