

**Our prediction:**

**What really happened:**

**Our comments**

We wrote yesterday: *"For today and tomorrow we have many short signals... Because of this we expect for some downward moves (possible even significant downward moves) from US stock market...Now, we are near a little support from 10.360...Sell more under it for 10.270 – 10.180 – 10.000 targets"* .**AGAIN, PERFECT FORECAST! +150 points profit!**
