

Dow Jones Industrial Average (DJI)

Time Frame: 30 minutes

Today's Description

With red arrows is presented our prediction for today!

Again, we can see a calm market... Some accumulation near our resistance from 10.650 can be expected... A little upward move during first part of the session and some downward moves under this level during afternoon are possible. A strong resistance is at 10.750. Supports are at 10.570 and 10.520.

Dow Jones Industrial Average (DJI)

Time Frame: DAY

Today's Description

With red arrows is presented our prediction for next days!

*(Feedback: We saw some downward moves under 10.570 during last two days)*

Again, we are near our strong resistance from 10.570...Now, it's very possible that DOW will break it and some upward moves to 10.650 – 10.750 are possible. After that DOW can again fall under it.
