

Dow Jones Industrial Average (DJI)

Time Frame: 30 minutes

Today's Description

With red arrows is presented our prediction for today!

For today we have an accumulation zone between 10.650 and 10.750. In this area expect to see some calm moves (try some trades with narrow stop loss).

During live session we should see some moves under this zone possible to our next support from 10.570.

Dow Jones Industrial Average (DJI)

Time Frame: DAY

Today's Description

With red arrows is presented our prediction for next days!

(Feedback: We saw some upward moves to 10.650-10.750 during last three days, exactly like we said!)

Now, DOW is in our zone between 10.650 – 10.750... From here we should expect a little downward moves, first to 10.570, then under it, possible to 10.520 – 10.450 area.
