## Dow Jones Industrial Average (DJI)

*Time Frame: 30 minutes*

### Today's Description

With red arrows is presented our prediction for today!

For today's session look for some little upward moves in the first part but expect downward moves again after that (especially during electronic session).

Again we have a support at 10.300 (short more when manages to break under). Resistance is at 10.390.

## Dow Jones Industrial Average (DJI)

*Time Frame: DAY*

### Today's Description

With red arrows is presented our prediction for next days!

Now we have a strong resistance zone between 10.390 and 10.530. From here some shorts can be opened.

**From here we can see some downward moves again... Good supports (and targets) are: 10.240, 10.110 and 9.900.**
