

Dow Jones Industrial Average (DJI)

Time Frame: 30 minutes

Today's Description

With red arrows is presented our prediction for today!

For today we see strong supports at 9.950 and 9.900 and resistances at 10.070 and 10.110. During live session we can see some recovery after that strong downward move from yesterday followed by some downward moves again latter in the session. Any break above 10.110 or 9.900 is an invitation to go with the market...
