

## Dow Jones Industrial Average (DJI)

*Time Frame: 30 minutes*

### Today's Description

With red arrows is presented our prediction for today!

During today's session we expect to see an accumulation between 10.270 and 10.370. A break of any of these levels will indicate a good opportunity to trade "with the market"...

During middle session some upward moves can manifest but expect downward moves in the beginning and in the end...

## Dow Jones Industrial Average (DJI)

Time Frame: DAY

### Today's Description

With red arrows is presented our prediction for next days!

*(Feedback: During last two days we saw recoveries back to our resistance from 10.270...exactly like we expected)*

For the next three days you should expect to see more upward moves above 10.270...A significant resistance (and target) is 10.500. After that the market can move down again.
