Dow Jones Industrial Average (DJI)

Time Frame: 30 minutes

Today's Description

With red arrows is presented our prediction for today!

Above 10.620 we should see little upward moves to 10.700. After that some downward moves, especially during electronic session are to be expected again.

A strong resistance is at 10.730.

Dow Jones Industrial Average (DJI)

Time Frame: DAY

Today's Description

With red arrows is presented our prediction for next days!

Exactly like we expected, Dow managed to touch our target from 10.540...

We still expect to see a little top here (between 10.600 and 10.700) and some downward moves after that. More upward moves above 10.730 can be expected after this decline...
