

## Dow Jones Industrial Average (DJI)

*Time Frame: 30 minutes*

### Today's Description

with red arrows is presented our prediction for today!

During morning we already had some up moves. The trend can continue with little retreats. Important resistance is 8050 and then 8120. At the end of the day, in last 1-2 hours of trading and after closing the market it is quite possible to see some important declines.
