Dow Jones Industrial Average (DJI)

Time Frame: 30 minutes

Today's Description

Look for some accumulation between 8100 – 7900 again... Buy lows and sell highs. Again it is possible to see a “quiet” day with narrow fluctuations.

with red arrows is presented our prediction for today!

Dow Jones Industrial Average (DJI)

Time Frame: DAY

Today's Description

with red arrows is presented our prediction for next days!

Between 8100 – 8250 it is a very important resistance zone. The main scenario for us is a down move from that area again to 7600 – 7500 zone.
