

Dow - monthly

Today's Description

Dow sank violent to much for us.. Now it can retreat to 9000 points and stay a little beat between 8000 – 9000 points... Sell highs and buy lows.

Dow - weekly

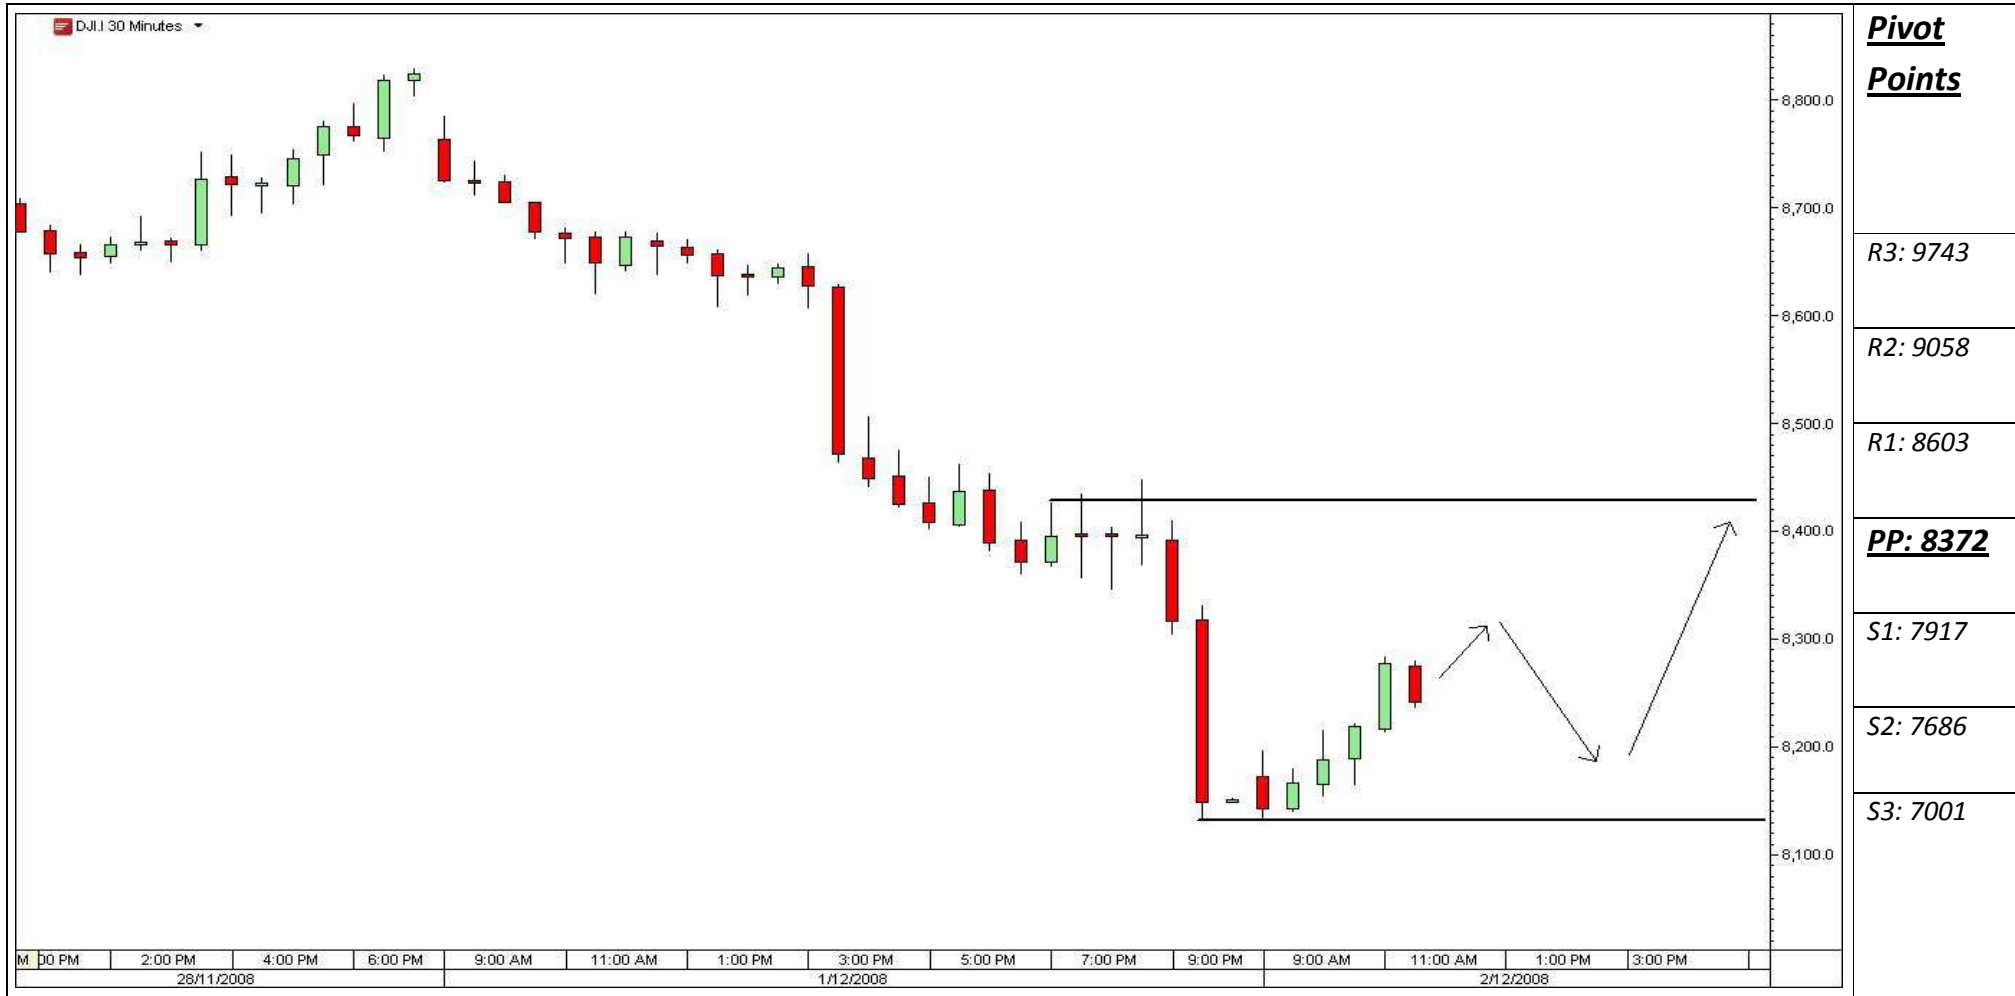

Today's Description	This up trend can go to around 9000... We think that then the down move will resume to 8000 again...
----------------------------	--

Dow - daily

Today's Description	We are already to 8000-8100... We should buy lows here for 9000 again... Reverse only it breaks 8000.
----------------------------	---

Commentary

We think the down move should stop around 8000 points...
