

**27 January 2009**

## Today's Calendar

| Date   | News and Events |                             |          |   |
|--------|-----------------|-----------------------------|----------|---|
|        | Hour            | Detail                      | Forecast | Our opinion   |
| 27-Jan | 4:00,<br>EUR    | German Ifo Business Climate | 81.0     | If the news will show a higher value, it will be good for the markets (obviously if the value will be lower the market will sink) |
|        | 6:00,<br>GBP    | CBI Realized Sales          | -53      | If the news will show a higher value, it will be good for the markets   |
|        | 10:00,<br>USD   | CB Consumer Confidence      | 38.7     | If the news will show a higher value, it will be good for the markets   |
|        |                 |                             |          |   |

Dow - monthly

**Today's Description**

Dow has an important resistance at 9000. Most probable it will go there and then it will go down to resistance under 8000 points.

**Dow - weekly**

**Today's Description**

We have a very nice triangle. The price can go up and down, from resistance to support, and arrive to 8.000 points in February.

**Dow - daily**

**Today's Description**

Now we trade in 8380 – 7900 area. Sell the tops and buy the bottoms. Reverse only if Dow breaks them!
