

Dow Jones Industrial Average (DJI)

Time Frame: 30 minutes

Today's Description

with red arrows is presented our prediction for today!

For today we expect some accumulation between 8.270-8.370... Little up and down moves in this area. Use break out trades if manages to break 8.400 or 8.250. Buy near support and use a SL under it or sell near resistance and use SL above it.
