

Dow Jones Industrial Average (DJI)

Time Frame: 30 minutes

Today's Description

with red arrows is presented our prediction for today!

Be a little careful at the beginning of the today's session. It's possible to see some downward moves to our support. After that expect another upward moves to 8.930 and more. We have a significant support between 8.870-8.890. It should resist, if not look for a trade with 50 pips break out. Resistances are at 8.930 and 9.010 for today!
