## Dow Jones Industrial Average (DJI)

*Time Frame: 30 minutes*

### Today's Description

with red arrows is presented our prediction for today!

For today we have only short signals. But they are not very strong signals. This is why we think that you should expect for some sort of accumulation under 8.800 and downward moves to 8.650 maybe to 8.600.

## Dow Jones Industrial Average (DJI)

Time Frame: DAY

### Today's Description

We saw an up move above 8.700 to 8.800 like we said. Now we should see some downward moves for the rest of the week.

with red arrows is presented our prediction for next days!

We keep this opinion for this day too.
