Dow Jones Industrial Average (DJI)

Time Frame: 30 minutes

Today's Description

with red arrows is presented our prediction for today!

Today we see some possible downward moves. Those moves should occur during last hours of trading and especially during electronic session. So, for the first hours it's possible to see some little recovery to close the gap. After that you should expect some significant declines.

Dow Jones Industrial Average (DJI)

Time Frame: DAY

Today's Description

with red arrows is presented our prediction for next days!

Like we said, from 8.800 we should see some downward moves this week to 8.600 (first target) and then 8.550, 8.500 and 8.400 (maybe). After that the upward move should resume. Above 8.830 and especially above 8.910 expect only for upward moves. Dow Jones Industrial Average (DJI)

Time Frame: WEEK

Today's Description

with red arrows is presented our prediction for next weeks!

Like we anticipated at 8.200, we said that Dow should resume upward moves to 9000-9100. Right now we have an important resistance at 8.910. After it will break it expect to go to 9100 and possible more. Right now we should see a little pullback.
