

Dow Jones Industrial Average (DJI)

Time Frame: 30 minutes

Today's Description

with red arrows is presented our prediction for today!

7700 – 7730 it is a very important pivot zone for today. Very hard Dow will move away from this zone. From our point of view it is possible to test 7650. If manage to break it then look for 7600 and 7400 at the end of the move. Look for a long if Dow breaks 7780-7800 zone.
