with red arrows is presented our prediction for today!

Expect to see some declines at the beginning of the day. First major support is 8.420 second 8.340. Dow can bottom between this levels. After that expect to see some upward moves to 8.500 and more.

Dow Jones Industrial Average (DJI)

Time Frame: DAY

Today's Description

with red arrows is presented our prediction for next days!

We already saw 8.420 touched. Close some of your position and move stop loss to break even. Expect 8.580 and 8.630 for next targets. (our weekly analysis will be made only on Mondays; if something will change we'll update it promptly).
