## Dow Jones Industrial Average (DJI)

*Time Frame: 30 minutes*

### Today's Description

with red arrows is presented our prediction for today!

During night DOW already went higher to 8.460 like we said.

For next hours expect to see some accumulation between 8.400 – 8.460 with some tentative to go upper to 8.500 and maybe to 8.580 in the afternoon or during the week-end.

## Dow Jones Industrial Average (DJI)

Time Frame: DAY

### Today's Description

with red arrows is presented our prediction for next days!

We already saw 8.420 touched. Close some of your position and move stop loss to break even. Expect 8.580 and 8.630 for next targets. Only under 8.200 will reconsider the situation.
