## Dow Jones Industrial Average (DJI)

*Time Frame: 30 minutes*

### Today's Description

With red arrows is presented our prediction for today!

Today's resistance is at 9.880, again. We think that near this level Dow will evolve today. Ups and downs like in our image with a potential of closing up...

## Dow Jones Industrial Average (DJI)

*Time Frame: DAY*

### Today's Description

With red arrows is presented our prediction for next days!

Now we see an accumulation zone between 9.700 and 9.900. The potential now is to break the resistance. Good targets are 10.000 and 10.120.

But if DOW again will close under 9.900 then a retest of 9.700 if again possible.
