Dow Jones Industrial Average (DJI)

Time Frame: 30 minutes

Today's Description

With red arrows is presented our prediction for today!

For today expect to see some significant fluctuation during live session. For the start of the day expect to see some downward moves (not more than 9.670-9.650) followed by some recovery back in the second part of the day...

Dow Jones Industrial Average (DJI)

Time Frame: DAY

Today's Description

9.650 was brooked again. So close the trade and follow the intraday trends. Next targets are 9.730 and 9.850. If Dow breaks again under 9.650 then be careful with LONG trades...

With red arrows is presented our prediction for next days!
