Dow Jones Industrial Average (DJI)

Time Frame: 30 minutes

Today's Description

With red arrows is presented our prediction for today!

For today expect a quiet day.. Nothing special should move the markets. The direction is still up so keep it... Support for today is 9.750-9.720, resistance is at 9.850. Follow the market if manages to break resistance with quick LONG trades. During session trade accordingly with this possible accumulation...

Dow Jones Industrial Average (DJI)

Time Frame: DAY

Today's Description

With red arrows is presented our prediction for next days!

9.650 was brooked again. So close the trade and follow the intraday trends. Next targets are 9.730 and 9.850. If Dow breaks again under 9.650 then be careful with LONG trades...

First target (9.730 was hit).. Second target is almost hit...
